DETAILED ACTION

This is the third office action for U.S. Application 10/698,373 for a Holder for Grease Gun filed on November 3, 2003 Claims 1, 5, 7-10, and 21-32 are pending.

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on December 23, 2005 has been entered.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ryan Dupuis on March 3, 2006.

The application has been amended as follows: The 1st lines of claims 5, 7-10, and 22-32, the words - - in combination with a grease gun - - have been placed after "holder". In claim 9, line 3, the word "a" has been deleted and replaced with - - the - -.

Allowable Subject Matter

Claims 1, 5, 7-10, 21-32 are allowed. The following is an examiner's statement of reasons for allowance: The prior art does not disclose a grease gun holder in combination with a grease gun with a tubular body, a flexible dispensing tube and a nozzle at a free end of the tube, where by the holder comprises a wall mount, a clip device mounted on the wall mount and securably receiving the tubular body of the grease gun therein, a nozzle holder supported on the wall mount and securing the nozzle of the grease gun therein, and a tray supported on the wall mount below both the nozzle holder and the clip device in respective vertical alignment with each of the nozzle holder and the clip device, with dimensions of the tray being larger than the grease gun in cross section so as to be arranged to catch drips from the grease gun...

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
